1983 – 2005 (retired: 07/01/2005)

**FBI Special Agent; Supervisory Special Agent; Assistant Inspector; Unit Chief**

Served as **Chief of the FBI's Behavioral Science Unit**, at the FBI Academy, Quantico, Virginia. Entered on duty as a Special Agent 12/11/1983 and held positions of increased responsibility over 22 years of dedicated service to the FBI. Engaged in complex investigative, operational and administrative activities requiring extreme trust and accountability. Provided leadership and vision to achieve excellence in national and international operations, personnel assessment and professional counseling, research, training and consultative activity specific to the FBI's workforce and strategic priorities. Additional FBI activity included, but was not limited to: Chief, Undercover Safeguard Unit; Certified Police Instructor; Hostage Negotiator; instructor and a graduate of the FBI's Executive Development Institute I and II.

1977- 1983

**Mental Health Professional**

Immediately prior to FBI employment, served as Director of Psychiatric Emergency Services and the mental health crisis intervention team at St. Mary's Hospital, Passaic, NJ. Previous employment in this field also included Director, Moderate Security Unit, Trenton State Psychiatric Hospital, Trenton, NJ, a forensic evaluation and treatment facility; and Program Coordinator of a children's in-patient treatment center at the same facility. These positions afforded both educational and clinical settings for the practice of unique and applied aspects of behavioral science assessment and mental health care.
